Regional Director's Message 2012-2013

As I reread my last year's banquet statement, I came across this opening comment, "The season has certainly been an intense one! There has been controversy and strife and at this time, I have chosen to focus on the positive and impressive Region 2 accomplishments on the regional and national level. There will always be problems to solve...tonight is a time of CELBRATION!" That remains true and probably will always be an accurate statement. While there will always be problems to solve there will also be opportunities for celebration. Tonight, let's focus on what we are using as the theme, "Simply the Best".

I'd also like to extend a special thank you to Erin Cutchen who stepped in as Regional Banquet Chairperson when Kathy Gumm had to have surgery. Both ladies and their committee members have done a beautiful job in preparing this event. Thank you to all involved.

As we prepare to host the CFA Annual Business Meeting and Awards Banquet at the end of this month, let's also celebrate our working together to achieve this goal. Pam Moser and her team have done an outstanding job! As we greet well over 400 delegates to our region, please make them feel welcomed. Every time you purchased a pin, calendar, raffle ticket or candy bar, YOU helped make this happen. Thank you to all clubs and individuals for your generosity of money, time and spirit.

I want to congratulate all the Regional Winners for a great 2012-13 season and wish you only the best as you formulate your goals for the 2013-2014 show season. Again this past season, The Pet Me cats have created many smiles and the Ambassador cats continued to amaze the crowds. Children participating in the Feline Youth Education Project (formerly Junior Showmanship) have worked extremely hard this year and we have multiple young people eligible for regional recognition and in contention for those sought-after savings bonds awarded at the National level. National competition winners are being kept secret until the Annual so please continue to send good thoughts to our Region 2 children competing for those awards.

Exhibitors from Region 2 accounted for multiple national wins in Kitten and Premier classes and other CFA activities. Region 2 cats have three national winners in Kitten class including a BEST kitten, and four national winners in Premiership. CONGRATULATIONS to Carol and David Freels and Roger and Nancy Brown for KOTY!!

Whether you have chosen to show for a regional or a national goal, to obtain a DM, or support the Veterans class, your participation and support of Region 2 is appreciated. We span a huge amount of territory and don't have the most shows or the highest concentration of fanciers. What we DO have is a dedicated group of people who do all they can for each and every show. We continue to lead the way for cats competing in the Household Pets and the Veterans classes. Starting May 1, 2013, both veterans and household pets from Region 2 and Region 5 can earn points for those shows in either region. The two regions have worked very closely together to provide exhibitors in this part of the country with a more seamless show experience for these two groups to match the experience of all the other show categories in CFA. We continue to fulfill the CFA mission for the welfare of all cats!

For the 2013-14 season, I wish you, your families and your cats health, happiness, success and peace.

Incorporating photo catalytic oxidation technology, high level negative ionization, safe levels of ozone, and electrostatic filtration, the GT3000 reduces particles and inactivates microbes thus providing a cleaner, healthier environment for you and your family. (Not for sale in CA)

It's a Perfect Travel Companion because it works wonders on stale and contaminated hotel rooms. In just a short time the GT50 can turn your hotel room into a healthier environment that smells fresh.

And eliminates that "BOY URINE" smell!

Youth Feline Education Program

Sponsored by: ROYAL CANIN

We invite all Youths who are interested in learning more about cats to join us. You can have fun and at the same time earn Scholarship funds for your Education. It is easy to do, there are many activities you can choose from. You can earn points by drawing a poster, give a breed presentation or you can show your cat in the championship class or in the household pet class.
